

Charitable Giving Benefit

With Symetra Classic Universal Life Insurance, your client's generosity can live on through a donation to their favorite charity, at no additional cost.

Like all life insurance policies, Symetra Classic provides a death benefit that can be used to protect loved ones or transfer wealth.

That's important, but we wanted our product to work just a little bit harder. That's why we built Symetra Classic to provide the qualified charity of your client's choice with a gift equal to 1% of the base death benefit, at no additional cost.¹
